

## Expense Recovery Form Instructions

**The form should be completed and signed by the Employee who established the Health Reimbursement Arrangement with the Employer listed in the first section on page 1.**

- Enter your name, Employee ID Number (last 4 digits of your Social Security Number), and your email address.
- For each expense the following information is required:
  - List each date of service on a separate line (no date ranges please).
  - List the patient(s) name(s) and relationship(s) to you (the employee). Reimbursement requests for multiple family members may be submitted on the same form. Use separate lines for each patient.
  - List the name(s) of the provider(s). Indicate the grand total requested for reimbursement.
- If you need additional space for extra dates of services, please use an additional form or you may use a spreadsheet. If using a spreadsheet, all required information must be included and that spreadsheet must accompany a signed form. Spreadsheets without an accompanying form will not be accepted.
- Read the certifications carefully to make sure you understand your responsibilities and accountability.
- **The Employee's signature is required**, as indicated by the bold arrow. Please date the form as well in the space provided.

- **Substantiating documentation must accompany the form** (e.g., explanation of benefits (EOBs), itemized receipts, etc.). Itemized receipts need to include:
  - Patient name (name of person who incurred the service or expense)
  - Name and address of the provider or merchant
  - Date of service for the amount charged
  - Description of service
  - Amount due for the service

Receipts for over-the-counter (OTC) items do not need to include the person's name, but the receipt must display the name of the item (e.g., bandages).
